SUBJECT: YOUR FREEDOM OF INFORMATION ACT CASE DON-NAVY 2017-004251

Dear Ms. Revas:

This is a final response to your March 8, 2017, Freedom of Information Act (FOIA) request for parts and drawings as described in your request attached.

A thorough search of this Headquarters files was conducted, specifically those files located within the Acquisition and Commonality Directorate (SEA 06). Knowledgeable personnel with that office researched and reviewed the requested information the Navy Ships Engineering Drawing Repository (NSEDR) and determined that based on the Distribution D markings, it can only be released to the approved Department of Defense contractor that is currently working on that contract. Based on the information provided by you in your request, your company does not meet the criteria.

I considered your request under the FOIA, 5 U.S.C. 552, as amended, and Secretary of the Navy Instruction 5720.42F. While it is noted that this type of data has been routinely released to you in the past under the FOIA, the source of the technical data has changed and is now identified as "Distribution D." As such, I am denying the release of this data under exemption (b)(3). Exemption 3 requires the withholding of information prohibited from disclosure by another statute provided that the statute "(A) requires that the matters be withheld from the public in such a manner as to leave no discretion on the issue or (B) establishes a particular criteria for withholding or refers to particular types of matters to be withheld."

10 U.S.C. 130 and the Department of Defense (DoD) implementing directive, DoD Directive 5230.25, prohibit the disclosure of technical data with military or space application in the possession of, or under the control of, the Department of Defense, if such data may not be exported lawfully outside the United States with an approval, authorization, or license under the Arms Export Control Act. 10 U.S.C. § 130 is an exemption 3 statute.

Since the data you have requested is now prohibited from public disclosure for the reasons stated above, I am denying your request.

I am the official responsible for this decision. You may submit a written administrative appeal of my decision. Should you decide to file an appeal, it must be received within 90 calendar days from the date of this letter and should contain a copy of your original requests, a copy of this letter, and a statement indicating why you think your appeal should be granted. Attach a copy of this letter to the appeal and mark the appeal and the envelope, "Freedom of Information Act Appeal." Mail the original to the Department of the Navy, Office of the General Counsel, Attn: FOIA APPEALS, 1000 Navy Pentagon, Room 5A532, Washington, DC 20350-1000. Please mail a copy of the appeal to:

Commander
Naval Sea Systems Command (SEA 00A5)
